

## Whitman on Walls! New Mexico

A “conversation across time” with great American poet Walt Whitman about community, democracy, and *interdependence*. This concert features original musical settings to Whitman’s verses, as well as original poetic performances created as part of Whitman on Walls (WoW!).

WoW! is a touring event devised by **Karin Coonrod** of **Compagnia de’ Colombari**, inviting local artists to respond to Whitman’s *Song of Myself*. WoW! NM is presented in collaboration with **Santa Fe Pro Musica** and the **Academy for the Love of Learning**, with project direction by **Acushla Bastible & Brittany Goede**.
