Sharon Niederman Spoken Word

Sharon Niederman is known primarily as a New Mexico author of travel guides, cookbooks, and writings on Southwest history and culture. *Ungentrified: Poems of the North Valley and Beyond* is her first book of poetry. Niederman lives in Los Ranchos de Albuquerque and knows the North Valley, both the place and the inhabitants, well. She has spent over two decades walking the ditches and open spaces, exploring the backroads, eating in the mom-and-pop cafes, and shopping in the local landmarks until her mind and heart were filled with the particular flavors, sounds, architecture, history, lore, and multi-generational customs that make this place unique. *Ungentrified* provides a lyrical tribute that is steeped in this magical essence and filtered through the poet's love of place.
